

Directions to Charlane Plantation

Located in the middle Georgia area, just 20 miles Southeast of Macon, finding us is easy. **But we suggest you NOT USE a GPS or Google Directions** to get here. Most all of them are inaccurate and will take you out of your way and to the wrong place. Because our mailing address is Dry Branch, Ga., some folks get confused. Dry Branch is actually about 20 miles from us! **We are physically just ¾ mile south of Bullard, Ga, off of Alt 129/US 23/Ga 87 (all the same road).** (an unincorporated intersection). At the stop sign turn left (you'll be on South Alt.129, Hy 23, and Ga Hy 87 (all the same road). About 3/4 of a mile after that turn you'll see the first dirt road on the right with a small sign that says Charlane Plantation. Turn right on this road and proceed to our main entrance sign. There you'll see directional signs to guide you throughout the plantation. For our hunters, follow signs to The Bullard House.
